5 Ways to reach our premises

By plane

The IATA building is less than 5 minutes' walk from GVA airport, arrival terminal. After custom clearance (arrival level) walk left and exit the doors on your left after the Swiss Chalet Restaurant and before the revolving doors leading to the train station. Once outside, turn right and you will see the "Swissair/IATA Center". IATA is the second entrance.

By car

Use the airport car parks P/1, P51, P26, and P31-32 – walking distance vary from 5 to 20mn from the IATA building. The closest is also the most expensive.
